

Brook Trail – Trail 5 - Rated More Difficult

The Brook Trail and Troll house are most easily approached by following trails 1 and 4, and descending to trail 5 by the condominiums. The Brook Trail is picturesque, following the beautiful meandering stream that is fed by Eastman Pond. Stop at the Troll House and pick up a token from the Troll's mailbox and bring it back to the Cross Country Center to be entered into a monthly drawing! The return home continues along the brook and is then followed by a long ascent to the Cross Country Center.
