

Andy's Alley - Trail 10 – Rated More Difficult

Andy's Alley is a narrow trail that is accessed from trail 5 and then runs beside Eastman brook then through wetland and wooded areas. The trail is skiable only with a hard freeze and ample snow cover. The trail is groomed only with a snowmobile and drag. The trail is mostly flat but does have twists and turns and a few short ups and downs. The trail provides access to the John's Glenn ski area without road crossings.
