

Bright Slopes – Trail 7 - Rated Most Difficult

Take trail 6, excellent for skate skiing, along the West side of the pond and enjoy beautiful views of the lake. Then cross the un-groomed snow on the pond passing the point where trail 6 returns to South Cove. Then follow trail 7, a narrow un-groomed trail excellent for exploring nature and wildlife. The trail passes through a wetland and rock outcroppings climbing up a very steep rise and joining trail 8 where it descends back to South Cove. This is a backcountry trail best considered for snow shoeing.
