

Lake Loop – Trail 6 - Rated More Difficult

The Lake Loop is 2.2 miles long and offers a mile of skiing through rolling hills in the woods and then flat open trails on the lake. The portion of the trail on the lake is not groomed. However, this trail is excellent for uninterrupted skiing since there are no roads to cross. Trail 7, Bright Slope Trail, Trail 4, Suicide Crest and Trail 5, Brook Trail can all be accessed off the Lake Loop.
